1 May 1969

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Weekly Report of the Office of Training

1. DLI Forced to Renege on Advanced Chinese Course

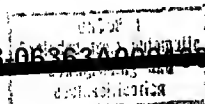

Budgetary cuts -- and more so, manpower shortages -- have forced the Defense Language Institute to withdraw from its commitment to conduct an advanced Chinese course for six Agency employees who will finish DLI's 44-week basic program in June.

2. ExDir Resolves CS CT Promotion Problem

CS Personnel Staff has notified CTP that the recent Clandestine Service action to decelerate promotions for CTs has been reversed by Colonel White. A large number of promotions, perhaps 60, already have been delayed but appropriate adjustments, including some promotions to be effective 4 May, are being planned. Colonel White has also instructed the Office of Personnel to prepare a proposal for a uniform Agencywide promotion policy for CTs.

3. FE Division Calls for Full-Time Lao Language Training

FE Division has levied a requirement on the Language School for full-time, six months, Lao training to begin with three employees in September 1969; thereafter, the course is to be repeated every six months. OTR is recruiting an instructor to handle the requirement.

4. Overseas Allowances Instruction PAled By Support School

A programmed-instruction module on "Overseas Allowances and Differentials," classified Confidential, has been completed by [REDACTED], an SF instructor in the Support School. Following testing and further refinement, principally through its use in the Field Finance and Logistics Course and by proving to be a self-teaching instructional device, the module can be made available for use overseas.

School is experimenting with monaural cassette tape recorders to deter-
mine the extent to which these can be used for home study of languages.

7. GWU President Notes Trend to New Significance of Off-Campus

At a recent luncheon meeting President Elliot of George Washington
University, in his address to a gathering of training and educational offi-
cers invited to hear GWU's plans for the next semester's off-campus
program, commented that "off-campus courses have a new significance
since we seem to be doing very little educating on campus these days."
